

# 2018 Studsvik Scandpower International UGM, September 24 - 27

**RICHMOND, VIRGINIA, USA**

**We are proud to announce the 2018 International Users Group Meeting hosted by Studsvik Scandpower at the Hilton Richmond Downtown Hotel.**

The Users Group Meeting is an excellent opportunity to meet with Studsvik representatives and fellow colleagues from around the world.

- Learn more about Studsvik CMS products, applications and engineering services
- Gain user knowledge on emerging industry issues and how Studsvik can help
- Attend presentations from Studsvik experts on CMS software development and user presentations on special applications and experience with Studsvik products
- Participate in half-day workshops on GARDEL and back-end technologies

**There is no registration fee for attendees. Use link below to register for the meeting before August 31.**
